

# Gallery Sunshine Everywhere

## News 2010

Over 40 exhibitions have been held since Gallery Sunshine Everywhere commenced in 2007 with many schools and students involved (visit Art Gallery section of this site).

In 2010, we had exhibitions of work from students in schools in Croatia and in Saudi Arabia as well as

- preschools: Ave Maria and Fairbairn Road,
- primary schools: Christ the King, Mackellar, St Albans, St Theresa's, Strathmore, Sydenham/Hillside and Western English Language School
- secondary schools: Marian College, Sunshine and The Grange.

Also, with Victoria University Education students, we worked with young people at SAIL (Sudanese Australian Integrated Learning) program in Braybrook, with families at Brimbank and Funtasia festivals. As well we showed the work of Trevor Donoghue, Jessica Jade, Pete Pascoe, Flossie Peitsch, Maria Vella and Mirjana Vuk-Nikic and worked with families at Brimbank and Funtasia festivals.

Through all of this, Gallery Sunshine Everywhere facilitated exhibitions at Revitalise Café in Strathmore and at Euromasonic Hall in Sunshine as well as Granary Café and collaborated with Victoria University and Ambient Orchestras around various projects.

Huge thanks to Tom and Acacia at Granary Café, Jake at Revitalise Café and Aneta and Boris at Euromasonic Hall, to our Board (Jill Anwyl, Paola Balla, Michelle Hocking, Aneta Todorovska, Basil Varghese and Tom Verghese), to webmaster and designer, Simon Kwok and to Brimbank Council.

Contact us with any ideas you have for exhibitions or other Gallery Sunshine Everywhere events and activities.
